Empty Legs Fly In A Private Jet At A Fraction Of The Normal Price

Take advantage of an empty leg flight and save up to 75% on the cost of a normal charter. An empty leg is the part of an overall journey where the aircraft has to fly to a destination to collect a passenger and is empty on this outward leg of the aircraft's journey.

Please see the 'empty leg' journeys currently available: this list is by no means exhaustive; if you cannot find a suitable journey on this page then fill in our quick and easy form and our "empty leg" specialist will contact you with suitable options.
